No attorney duties, but if you want to send them to liaison with citizens, we are taking all who will go;)

Susan, I am assuming you don't need any attorneys deployed. I doubt any have hazwoper but I do have one on medical monitoring (dive team). Let me know if you need anything from ORC.

Subject: RSC Request for Deployment - URGENT; Gold King Mine Spill

The REOC has been activated for the Gold King Mine Spill. This is an immediate activation of the R6 RSC.

The Region is requesting 30 EPA staff be immediately deployed to the Farmington NM area as community relations support. Deployment is for potentially a week (min 5 days deployment).

Preference is for a min of 24-hour HAZWOPER, and medical monitoring.

Please have staff, that have supervisor approval to deploy, email Michael Torres and cc Mikeal Adams and Susan Webster.

Thank you for you help! Susan
